CAM Services:

- Food (groceries for number of members in family) once every two months
- Clothing once every two months to also include other things like: diapers, hygiene items and household items when available. (Hygiene is usually only available for homeless downtown but may be in family size at our north side location).
- Transportation in the form of Bus Tickets to medical appointments, bus tickets to a verifiable job interview or a **30 day bus pass** to start a **new full time permanent job** (must be verified)
- Limited Financial Assistance for Utilities or Birth Certificate/ID 1x annually
- Financial Assistance for Prescription Medications up to \$40 annually (this may be given out multiple times a year if each time doesn't total \$40)
- Once a year seasonal help to include: School Supplies/Back Packs (sign up is in mid to late June and early July), coats from November to February, Emergency Christmas Help early December
- Downtown location has a free mail box service for clients to receive mail
- Sign up for the CEAP Bexar County Utility Assistance Program-mothers, Senior Citizens and people with disabilities
- Referrals to other agencies and help navigating the social service system

General Client Requirements to Receive Services:

- **All individuals are welcome at CAM.** No appointments necessary, and we have no zip code or demographic restrictions. For financial help, arriving early is better.
- **Photo ID** (of any kind, including a driver's license, school ID, expired ID, etc.)
- **Social Security Card** (for all members in the household. If there is an issue, we can offer a grace period on the first visit.)
- **Proof of Residency for Groceries** (utility bill or lease agreement, SSI Award Letter, Food Stamp Notification Letter)
- **Financial Assistance** requires the paper work for that need (i.e. disconnect notice, prescription, or a referral from another agency if help is needed for an ID or Birth Certificate)
- **ID Recovery Documents required:** if one needs a birth certificate we need to see their ID (of any kind) and or SS card (we can probably provide help without SS card for this). If one needs help getting their ID we will still need to see some kind of photo ID, and to see their Birth Certificate and Social Security Card and two valid proofs of residence (all required by the state of Texas).

~Always please call to see if we have financial available~
