CAM AMAZON REGISTRY

Visit our website at cam-sa.org for our Amazon Registry link or scan the QR code for direct access.

Consider also supporting CAM by purchasing some of our most needed items listed on our Amazon Registry. This will greatly help CAM get the necessary resources into the hands that need it most. Purchase items from the safety and comfort of your home and packages will be shipped directly to CAM's downtown campus. If you have any questions, contact our Director of Development, Sarah Kory, at: skory@cam-sa.org.

When purchasing these items on Amazon, consider visiting amazonsmile.com and search "Lists": Christian Assistance Ministry. Using Amazon Smile allows you to designate CAM to receive a portion of your payment as a direct donation from Amazon.

We update our website monthly with our "Most Needed Items" for that respective month. Many of our most needed items are listed on our registry.

MARKETING PORTAL

Our Marketing Portal has access to all the flyers we create for these annual events. To download a flyer scan the QR code for direct access.
