

# CAM'S CORNER

**WE ALL NEED SOMEONE IN OUR CORNER**

CAM's Corner is the fulfillment of God's command to leave the uncut corners of our harvest as a visible sign that we have saved part of our harvest to help those in need. We believe it is no coincidence that our downtown location is on the very visible **CORNER** of Hwy 281 and McCullough Ave.

## **WHAT DOES IT MEAN TO BE IN CAM'S CORNER?**

Being in CAM's Corner is a way to commit to giving a "small", reoccurring amount monthly, bi-monthly, quarterly, etc. so that CAM can continue operating on a daily basis by caring for those less fortunate in San Antonio. Your donations go directly to helping families and individuals with basic necessities such as food, clothing, hygiene items, financial assistance for utilities and medical prescriptions, and so much more.

If enough people commit to giving "smaller" amounts such as \$5, \$10 or \$15 a month, think about the HUGE impact that would make at CAM! Those amounts add up quickly at the end of the year. Just think about how many more people we could be serving on a daily basis! Come be in CAM's Corner and help families, those in the military and veterans, senior citizens, those that are homeless, and so many more, get back on their feet. Visit our website at [cam-sa.org/donate](http://cam-sa.org/donate) to donate today.
