Dear Friends,

We are excited to invite you to partner with Christian Assistance Ministry (CAM) in support of our annual ***Feast to Feed Gala to be held at The Ralston on October 1, 2026.***

**Sam and Laura Dawson
Honorary Chairs**

CAM is a San Antonio nonprofit that has provided services to those in need for almost 50 years. CAM operates much like an ***emergency room of social services*** by meeting individuals' critical needs today and then connecting them to long-term community resources when possible. We have seen how God multiplies what is generously given. CAM lives out this principle every day by walking alongside families facing financial crisis, seniors struggling with fixed incomes, and neighbors experiencing homelessness who need daily meals and a pathway toward stable housing.

Because of faithful partners like you, in 2025, CAM provided:

- Groceries to 19,572 families
- Clothing for 21,623 individuals
- Food, back-to-school items, and Christmas gifts for over 14,000 children
- \$310,751 in financial assistance (utilities, prescriptions, rent) to over 7,000 families
- 80,112 healthy meals for our neighbors experiencing homelessness
- Outreach services that engaged thousands and helped more than 650 individuals move from the street to housing

This gala is both a ***fundraiser and a friend-raiser***. With operational costs already covered, every sponsorship and table commitment directly supports those in need.

We invite you to make an early commitment as a sponsor or table host. Leadership gifts build momentum and inspire others to join. This will help to ensure that when invitations are mailed, the room is already brimming with those committed to our mission. Please find the enclosed 2026 Pledge/Purchase form for information on levels of sponsorship.

Together, we can continue to make a meaningful difference in the lives of our San Antonio neighbors.

With gratitude,

David Schwab
CAM Board President

Dawn White-Fosdick
CAM, President/CEO
